### Fits your lifestyle and outdoor space

Want a bed for sunning on your balcony? A table for your next backyard party? Storage for garden tools and cushions? ÄPPLARÖ is a complete series with everything you need to customise your outdoor room, whether it's a small balcony or a large yard. Low seating units, tables, chairs, stools, storage benches, wall panels and more. And with ÄPPLARÖ/KLASEN barbecue, trolley and storage cabinet, you can even create an outdoor cooking area.

### Durable material with natural feel

All products in the ÄPPLARÖ series are made of solid, sustainably sourced, dark hardwood acacia, commonly used in outdoor furniture because of its durability. All pieces come pre-treated with several layers of wood stain so they will stay fresh and new-looking longer before any maintenance is needed.

All the products (shown here) may not be available at the store. Please contact the staff or look at [www.IKEA.gr](http://www.IKEA.gr) for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

# Protecting and caring for ÄPPLARÖ

The best way to extend the life of your wooden outdoor furniture is by cleaning it regularly, not leaving it outdoors unprotected more than necessary and to re-stain it on a regular basis.

## Cleaning

Wipe clean with a soft cloth dampened in water and a mild soapy solution. Wipe dry with a clean and dry cloth.

## Maintenance

To prevent the surface from drying out and cracking and moisture from penetrating into the wood we recommend you to re-stain the furniture on a regular basis, for example once a year. How often you will need to do this will depend on how exposed the furniture is to the elements.

For furniture that stands in the open air, a good indication that you need to re-stain is if raindrops are absorbed directly into the wood and no longer form small beads on the surface.

## TOSTERÖ waterproof furniture covers

### Covers for dining sets

### Other covers

**TOSTERÖ cover for sun lounger.** 200×60 cm, height 40 cm.

Black 702.923.21 **19.99€**

## Storing

If possible, store your outdoor furniture in a cool and dry place indoors. If the furniture is left outdoors, make sure to protect it with a waterproof cover and if possible tilt the furniture to make it easier for any water to drain away. After a rain or snowfall, wipe off excess water or snow from flat surfaces. Allow air to circulate, to avoid condensation.
